24-hour online customer support and learning

MyUNIFACE is an Internet-based support and learning environment which provides real-time access to a wealth of UNIFACE product and technical information. Features include online product documentation, technical tips and know-how, up-to-date platform availability, product fixes, course information, online training, and live communication with fellow developers. You can obtain full access privileges for MyUNIFACE by completing an online registration form (customer license information is required) at <http://myuniface.com/>.

For the latest version of the documentation always check the UNIFACE Library on the MyUNIFACE site.

Your suggestions and comments about UNIFACE documentation and course material are highly valued. Please send your reactions to:
